

St John Ambulance Kit Servicing

Thank you for your enquiry about St John Ambulance Kit Servicing.

OH&S legislation requires workplaces ensure appropriate numbers of kits are provided and remain adequately stocked. We make it easy for you to keep your First Aid kits stocked and compliant with current workplace guidelines.

Our service includes:

- Checking and replenishing First Aid kits and defibrillators
- Signing the affixed compliance sticker on your First Aid kit/s at each visit
- Assessing additional First Aid requirements as necessary
- Providing ongoing support and reminder service

Restocking of your First Aid kits includes a service fee of \$62.50(+GST) per hour in addition to any components that are replaced.

To organise your first service, please provide us with the following information:
