

# Workplace First Aid Checklist

Do all workers have access to first aiders and first aid kits?

---

Do first aiders have skills, training, and competencies to provide first aid in your workplace and are their skills up to date?

---

Do first aid kits need to be replenished?

---

Are more first aiders required?

---

Do the first aid kits and modules suit the hazards at your workplace?

---

Do all workers have access to a defibrillator?

---

Are first aid kits and defibrillators well maintained and identifiable to workers?

---

Is a first aid room or health centre required?

---

Do workers know how to access first aid?

---

Is there easy access for emergency services like parking for an ambulance?
